Dear Sir:

Attached in duplicate is Form PTO-1050, with at least one copy being suitable for printing. The error was the fault of the Patent and Trademark Office as the references cited by us in an IDS submitted on March 9, 2001 were not printed on the face of the patent. Please add these references, which were considered by Examiner Thai in March of 2002, to the respective areas on the title page of the patent. A copy of this submission is enclosed. Accordingly, there should be no charge to the patentees for this correction. However, the Commissioner is authorized to charge any necessary fees to Deposit Account No. 22-0185. A duplicate copy of this Request is enclosed.

Dated: 7-20-04

Respectfully submitted,
